

FIDO-Echomail-Areas

Eine Fundgrube für FIDO-Benutzer und vielleicht etwas zum Aufheben sind die nachfolgenden "Telefonverzeichnisse", die zeigen, welche Mitteilungsbereiche es gibt (Tabelle 1, Inhalt) und wo es sie gibt (Tabelle 2, Bezugsquelle). Demnach gibt es im österreichischen FIDO-

Net 882 Mitteilungsbereiche. Die Zahl schwankt, da die einzelnen Nodes ihr Angebot oft verändern und von den Wünschen der Points und User abhängig machen. Eine Liste der FIDO-Nodes finden Sie in den **PC-NEWS-32**.
